Must-have Winter wardrobe pieces

'Tis the season to layer garments and indulge in soft knits!

- **BOOTS.** These key winter items work well with fitted jeans or for the more adventurous work them with opaque leggings and your favourite dress. Finish the look with a basic-look trench jacket.
- **HATS.** Gorgeous 1940s vintage inspired hats are in this season. Opt for the short-brim feminine look. For an evening look on cooler winter nights; embellish the brim of the hat with your favourite brooch.
- **KNITS.** The oversized knit is back this season – style it with leggings and boots, or your favourite dress and ballet flats for a more casual look.
- **SCARVES.** A quick addition to layer your winter look. Scarves have arrived in an abundance of colours and fabrics this season. Lilacs, purples and metallic threaded fabrics will add a splash of colour to your outfit.

Visit Miller's, Rockmans, Wicked Willy's and Eyes-on for this season's winter trends.

Winter Beauty Advice

The team at Lush Beauty Salon share their expert advice!

Winter's cooler days and our desire to keep close to artificial heaters can cause the skin to dry and become dull.

With the change in season, it's important to regularly exfoliate in winter and keep up the skin's natural oil balance by moisturising on a regular basis.

WINTER WARMER SPECIAL OFFER

Enjoy a pampering manicure with a paraffin mask, followed by an indulgent massage and hot towel treatment for only \$90

See in-store for full details, offer valid until 31 August 2010.

Now Showing at Grand Cinemas Currambine: Toy Story 3

SYNOPSIS: The creators of the beloved *Toy Story* films re-open the toy box and bring moviegoers back to the delightful world of our favourite gang of toy characters in *Toy Story 3*.

As Andy prepares to depart for college, Buzz, Woody and the rest of his loyal toys are troubled about their uncertain future. Featuring the voices of Tom Hanks (Woody) and Tim Allen (Buzz Lightyear) *Toy Story 3* is a comical new adventure in Disney Digital 3D™ that lands the toys in a room full untamed tots who can't wait to get their sticky little fingers on these 'new' toys. It's pandemonium as they try to stay

together, ensuring 'no toy gets left behind.' Meanwhile, Barbie comes face to plastic face with Ken (yes, *that* Ken).

Toy Story 3 is rated PG and is now showing at Grand Cinemas Currambine.
